BEST VALUE

iCool Mat

Keep your dog cool all summer long.

High water absorbing polymer creates a soft, cool, gel-like mat that stays cool in spite of body or room temperature.

ICOOL MAT

Pink/Oval 021410PK
Blue/Rectangle 021420BL
Size: S & M

How to use:

1. Soak white absorbent bag in about half a gallon of water.
2. Within minutes, the absorbent bag should inflate into a cool gel-like inner mat.
3. Insert the absorbent bag into the nylon cloth cover.

iCool Mat cools off by constant evaporation of water molecules. To re-inflate, simply supply 1 - 2 cups of water to the inner absorbent bag every week. This will bring the mat back to it's normal capacity and maintain the coolness.

EasyCLEANUP DISPENSER
